

## Contest Rules

1. All models must be the work of the entrant and the entrant only. Entries by proxy are welcome.
2. Models may be made from any material, not just plastic.
3. Any model may be entered as long as it has not won any awards at a previous HAMS show.
4. Box Stock entries must be accompanied by the kit instructions. The model must be built only from parts supplied in the kit and each part must be used in the way the kit manufacturer intended. Design flaws may not be corrected. Removal of parting lines or injection points, filling of sink holes, re-chroming of flawed chrome, and use of replacement parts from an identical kit is allowed. Paint, foil, flocking or decals from any source is allowed.
5. Pre-painted models are allowed in the Junior category only.
6. Any base, figures, etc, that accompany a non-diorama entry will not be judged – only the vehicle will be judged. The only exception to this are the truck categories (where any load being carried will also be judged).
7. Military jeeps (and foreign equivalents such as kubelwagon, GAZ-69, etc.), motorcycles, and transport trucks are allowed in appropriate categories. Machine guns are only mounted weapons allowed. No towed weapons. No fully or partially tracked military vehicles allowed. However, fully or partially tracked civilian vehicles are allowed (i.e. bulldozer).
8. “No Sweep” rule: No individual can win more than 2 places in any one category unless they have the only entries in that category.
9. “Politicking” for any model is not allowed. Any abuse of this rule may result in the model and/or person being removed from the contest.
